POLICY CONTENT:

A. DEFINITIONS:

when implementing Procedures or other actions employees are required to take in order
to perform their duties and responsibilities.

4. **Board Oversight:** Board Oversight means the Board Policy Committee and the
Board shall have the opportunity to review Administrative Policies prior to their
implementation to ensure they are correct (not in conflict with law, the Articles of
Incorporation, By-laws or Board Policy) and fair (no appearance of being inequitable).

**B. BOARD POLICIES:** Board Policies shall express the Board’s expectations and standards
regarding board, director, management and organizational performance. Such policies shall have
one or more of the following purposes:

approval. KIUC's President and CEO may also develop Board Policy recommendations for presentation to and processing by the Board Policy Committee.

C. **ADMINISTRATIVE POLICIES:**

2. **Development:** Administrative Policies shall be developed by, or delegated for development by, KIUC's President and CEO, and under his supervision. After development, but before adoption, such Administrative Policies will be presented to the Board of Directors through the Board's Policy Committee for Board oversight.

   a. **Procedure.** All Administrative Policies, or substantive changes thereto, shall be emailed to all current Directors by the President and CEO prior to their implementation to ensure they are correct (not in conflict with law, articles of incorporation, Bylaws or Board policy), and fair (no appearance of being inequitable). If any Director takes exception to the content of any Administrative Policy so transmitted, such Director shall report such exception to the Chair of the
Board Policy Committee and the President and CEO within 10 working days of
the policy's receipt from staff. Upon receipt of any such exception the Chair of
the Board Policy Committee shall place the matter on the agenda of the next
Policy Committee meeting whereupon the Policy Committee shall make its report
to the Board.

b. **Certification.** Submission of an Administrative Policy to the Policy
Committee acts as a certification by the submitting party that the submitted policy
has been reviewed and approved by appropriate staff personnel and, if
appropriate, by counsel or other appropriate expert with knowledge of the subject
matter of the policy.

D. **PROCEDURES AND PRACTICES.** KIUC Procedures and Practices shall be
documented as appropriate by, and/or delegated for documentation by, KIUC's President and CEO,
