

Encouraging a Lifelong Love of Art

KIUC is accepting submissions for the 2020 Calendar of Student Art

KIUC's 16th Annual Calendar of Student Art Contest is excited for new entries from Kaua'i students. The program was designed in 2003 to inspire and promote young artists on the island. Our 2020 contest will continue to celebrate the arts and showcase each grade level's student talent. It is our hope that participation in the contest will play a part in encouraging a lifelong love of art.

Who can enter: Any Kaua'i student attending any public or private school or schooled at home who is in kindergarten through grade 12. Students may enter as often as they wish.

How the contest works: Match the grade the student is in during the 2019-2020 school year to the corresponding month. Students are encouraged to draw or paint a picture that illustrates a connection to their assigned month. Kindergartners will draw the cover art depicting any subject or season.

1st grade - January	5th grade – May	9th grade – September
2nd grade - February	6th grade – June	10th grade – October
3rd grade - March	7th grade – July	11th grade – November
4th grade - April	8th grade – August	12th grade – December

- Artwork will be judged on a number of factors including artistic merit and creativity. How well the assigned month is depicted will be a contributing factor but may not be the deciding factor. Acceptable artwork includes still life, landscapes, portraits, etc.
- All elements of the artwork (lines, paint, color, shapes, shading, highlights, etc.) must be the work of the student whose name appears on the back of the artwork.
- No tracing.
- All artwork must be original and not be copied from other copyrighted sources without substantial creative changes; renderings or other paintings or published photographs that are deemed to be too exact to the source will be disqualified.

How to submit the artwork: Please submit your 2020 pieces in the portfolio provided to your school. If you returned your portfolio for storage at KIUC, please contact Shelley Paik to arrange for pick-up. For artwork to qualify, the following information must be written legibly on a label and affixed to the back of each submission: School Name, Student Name, Student's Grade, Teacher's name, Teacher's phone number and Teacher's email address.
